SOLID 3000 EMULSION MATT

Matt Acrylic Emulsion Paint for Interior Surfaces — Solid Architectural Line

PRODUCT DESCRIPTION

Solid 3000 Emulsion Matt is a matt acrylic paint manufactured from high-quality water-based polymer.

KEY FEATURES

- Excellent matt appearance
- High covering power
- High resistance to alkalis and water
- High durability

RECOMMENDED USES

- Interior use on all types of walls and ceilings
- Cement, concrete, and gypsum substrates
- Both new and previously painted surfaces

SURFACE PREPARATION

The surface must be clean and free from any dust, oils, or greasy materials. This applies to all new and old surfaces.

TECHNICAL & PHYSICAL PROPERTIES

Property	Value
Color	White, or according to the color catalog
Theoretical Spreading Rate	7 - 8 m²/L
Egyptian Standard	1539 / 2008
Solids Content	70% ± 2%
Specific Gravity	1.60 ± 0.05 g/cm³
Shelf Life	2 years from production date, in a sealed container under proper storage conditions

APPLICATION GUIDELINES

Parameter	Recommendation
Application Method	Roller, brush, or spray gun
Thinning	Water may be added as required

DRYING TIME

Stage	Value
Surface Dry @ 25°C	0.5 hour
Complete Dry	1 - 2 hours
Recoat Interval	12 hours

STORAGE

Keep the container sealed and follow proper storage practice. Store away from direct sunlight and heat sources.

HEALTH & SAFETY

- Observe all warning and precautionary labels displayed on the container.
- Ensure application takes place in a well-ventilated area.
- Avoid skin and eye contact. Wear overalls, gloves, and goggles where appropriate.

- In case of eye contact, flush immediately with plenty of clean running water and seek prompt medical attention.
- Keep out of reach of children.
- Do not empty into drains or watercourses. Dispose of waste in accordance with local regulations.
- A Safety Data Sheet is available for this product and should be consulted for full handling and disposal information.

The information in this data sheet is given to the best of our knowledge, based on laboratory testing and practical experience. However, as the product is often used under conditions beyond our control, we cannot guarantee anything but the quality of the product itself. We reserve the right to change the given data without notice.
